# BOOK NEWS

By Mrs Rasen

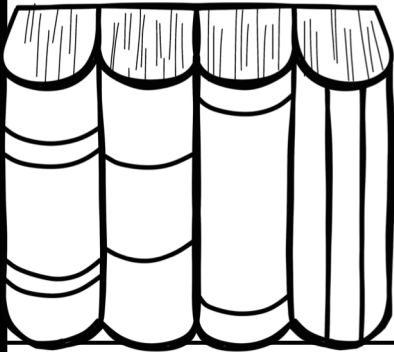

## NEW BOOKS!

Our substantial book order arrived and is now ready for GIS students to enjoy. Books were ordered to cover the entire library with an emphasis on MYP Non Fiction books. We added new author collections as well as filled in gaps within our unit of inquiry. The PYP department got a healthy number of picture books as well as the sought after cookbooks. As always, students and parents alike are always welcome to make suggestions towards the 2019 book order.

## SCHOLASTIC BOOK CLUB

Thank you to everyone who ordered from our Scholastic Book Club. We are delighted to let you know that thanks to your support we earned £130 to spend on books for the school. Please look out for our next Book Club at Christmas to order great books at great prices and earn loads of free books for GIS while you do.

## BIRTHDAY BOOK CLUB

We continue to be thrilled with the response from our launch of the Birthday Book Club at GIS. We have had some fantastic books donated these past two months and look forward to more books joining our collection in the library.

## NOTICE

- With the first term behind us, we would like to introduce a new incentive programme in the library. We will be using the class dojo programme to track books taken out as well as returned. It is hoped that the programme will encourage students to become regular readers as well as returners.
