Scholastic Book Club

A big thank you to everyone that ordered books through our latest Scholastic Book Club. We have earned EUR67 in books for GIS library! We will inform you when the books have arrived.

St. Valentine's Bake Sale

Grade 3-4 and 5 are going to sell cakes and drinks on 14th February. The money raised will go to a charity. All students are invited to participate in the fund raiser.

Winter Activities Day

Winter Activities Day will take place on 23rd February at Øverby. Students need to be dropped off at the wigwam at 10:00am and collected in the same place at 2:00pm. All students are responsible for bringing their own equipment and

food. Please note that it is possible to grill sausages at Øverby. Hot chocolate is allowed on the day but only in addition to, not instead of water. We need parent volunteers to help us on the day. Class teachers will contact parents soon regarding the support we need.

The 'Humanity Star'

The 'Humanity Star' was launched from New Zealand and has an orbital life expectancy of around 9 months. Its orbit is designed so that everyone on Earth can potentially share the experience: we are global citizens! The orbit will gradually change making it visible from all latitudes.

It should be visible from Gjøvik this Thursday at 7:59am, weather permitting!

The web site has an interactive tracking map.
