Welcome back!

Welcome back! We hope you had a relaxing break and are ready for the next three weeks of school until the next break.

Information Morning

We are pleased to invite you to Information Morning on 6th April from 8:45am to 10:30am. Ms. Zemlak (PYP Coordinator) and Ms. Termaat (MYP Coordinator) will provide information on the programmes and answer your questions. Please find below the programme for the morning:

| | |
|--------------|-------------------------------|
| 8:45 – 9:30 | Primary Years Programme (PYP) |
| 9:30 – 9:50 | Coffee break |
| 9:50 – 10:30 | Middle Years Programme (MYP) |

All parents are welcome. However, we would particularly recommend the presentations to new parents (who joined GIS this academic year) and the

parents of Grade 5 students, who will transition from PYP to MYP next academic year.

Re-registration/withdrawal

As we are obliged to submit projected student numbers for next academic year to the Ministry of Education this month, we will contact you later this week regarding your plans for next year. You will be requested to complete a re-registration/withdrawal form and return it to GIS by 16th March.

Indoor shoes and winter gear

This is a reminder that students need to bring their indoor shoes back to school. It is important that students wear appropriate indoor shoes at all times, especially in the science lab and during fire drills. Please note that if the fire alarm is triggered, we evacuate as we are. There is no time for children or adults to go to the locker and put on outdoor shoes.

MYP consultation visit

As part of the authorization process, we will host a consultation visit on 12 and 13 April. Our consultant, Hege Myhre (Head of Kongsberg International School), will review our documents, observe classes and meet with teachers, administration and parents. Following the visit, we will receive a report with feedback on how we have been implementing the MYP and what still needs to be done before we apply for authorization in October 2018. If you are available to meet with the consultant on 12 or 13 April, please contact Ms. Termaat at annie.termaat@gjovikis.no

Norwegian classes for GIS staff and parents

Our neighbour, Learning Centre offers Norwegian classes at all levels both online and face to face. The Centre has offered their services to GIS staff and

parents. Please let us know if you are interested by sending an email to post@gjovikis.no Please note that Learning Centre is conveniently located just next to GIS.

School support contact details

If you have any questions about the matters below, please contact the relevant person:

| | | |
|--------------|------------------------------|--|
| Invoices | Kari Anne Brovold | kari.anne.brovold@gjovikis.no |
