City systems

Grade 3-4 have recently launched a new inquiry into city systems. We are currently looking at field trips that can facilitate learning during the unit. If you work at and/or can help organize a trip to a power plant, city planning office, sewage works, etc. please contact Ms Cindy at cindy.van.den.heuvel@gjovikis.no

Winter Activities Day

We are pleased to inform you that 23rd March is Winter Activities Day. It will take place at GIS and will include such activities as: snow art, spark relay, sledding, scavenger hunt and obstacle course biathlon. The activities will end at 2:45 for MYP students (Grades 6-8) and at 3:05 for PYP students (Grades 1-5). Please ensure your child has appropriate gear to play in the snow.

Re-registration/withdrawal - REMINDER

This is a reminder that 16th March (Friday) is the deadline to submit your re-registration/withdrawal for next academic year. We would like to thank all the parents who have submitted the form already.

Information Morning – reminder

We are pleased to invite you to Information Morning on 6th April from 8:45am to 10:30am. Ms. Zemplak (PYP Coordinator) and Ms. Termaat (MYP Coordinator) will provide information on the programmes and answer your questions. Please find below the programme for the morning:

8:45 – 9:30	Primary Years Programme (PYP)
9:30 – 9:50	Coffee break
9:50 – 10:30	Middle Years Programme (MYP)

All parents are welcome. However, we would particularly recommend the presentations to new parents (who joined GIS this academic year) and the parents of Grade 5 students, who will transition from PYP to MYP next academic year.

MYP consultation visit - reminder

As part of the authorization process, we will host a consultation visit on 12 and 13 April. Our consultant, Hege Myhre (Head of Kongsberg International School), will review our documents, observe classes and meet with teachers, administration and parents. Following the visit, we will receive a report with feedback on how we have been implementing the MYP and what still needs to be done before we apply for authorization in October 2018. If you are available to meet with the consultant on **12th April from 3:00pm to 4:00pm**, please contact Ms. Termaat at annie.termaat@gjovikis.no
