24th April 2018

Gjøvikregionen International School
Studieveien 17, 2815 Gjøvik
Tel: +4724076141
Email: post@gjovikis.no

Open Day: 14th May 2018, 8:30am – 3:00pm

We are pleased to invite interested students to attend classes at GIS on 14th May 2018 (8:30am - 3:00pm) in order to find out what it's like to be a student at our school. As most classes are currently full or almost full, we are able to accept only three students per class per day. Applications will be accepted on a first come first served basis. Additional Open Days may be offered in the future, depending on interest. Parents can register here:

<http://www.gjovikis.no/register-for-open-day/>

We would be grateful if you could share the information with parents who may be interested in GIS.

Action Tree

Check out our Action Tree in the entrance area and find out how Grade 1 students take action outside school! A big thank you goes to Grade 1, Ms.

Michelotti and Ms. K for planting the tree. Help us keep it growing by sharing examples of how your child takes responsible action.

PYP Exhibition

We are pleased to invite all interested members of the school community to visit the PYP Exhibition between 1:30pm and 3:00pm on 4th May 2018.

The PYP Exhibition is a culminating experience for students in their last year of the IB Primary Years Program. During Exhibition the students are expected to identify, investigate and offer solutions to real-life issues or problems. The central idea guiding the Exhibition must be of significance to warrant a detailed investigation by all students. The students helped write the central idea for the unit. They also chose a specific area of study that is important to them, so they can engage in personal research and project work.

This year our Exhibition falls under the broad category of Natural Disasters. Students have been conducting research, have kept a journal and met with a teacher mentor every week.

Join us on 4th May to celebrate the hard work of Grade 5 students.

Conferences

We would like to thank all the parents who attended conferences last week. We hope the conferences were informative and helped you understand what and how your child has been learning at GIS.

17th May celebrations

17th May is approaching fast. Grade 5 parents are in the process of planning the celebrations. All grades are expected to contribute as follows:

Grade 1: Cakes

Grade 2: Games: Traditional 17th of May games (shekel, Potetløp, hesteskokast, blikkboks osv.)

Grade 3/4: Cakes

Grade 5: Organizing Committee

Grade 6: Sandwiches

Attached to this newsletter you will find an invitation to the event. We hope to see as many people as possible.

GIS Parents Council

Planning Day – 30th April – NO SCHOOL

This is a reminder that 30th April is a planning day for staff and there are no lessons or SFO on this day. Classes resume on 2nd May (Wednesday). We would like to take this opportunity to wish you a nice long weekend.

Appropriate gear

Please ensure your child has appropriate gear to be able to enjoy breaks. We go out for breaks in all weather and a spare set of clothes in the cubby can make a big difference on a wet day.
