## PYP verification visit

We are pleased to inform you that GIS has just completed the final step to become an IB World School. Yesterday and today, we hosted our PYP Verification Visit. Two visitors met with all staff, school board, parents and students, observed classes as well as reviewed our documents to check that we meet IB requirements. We will now receive a decision and a report that will highlight what we do well as well as what still needs attention.

For the two visitors, the highlights of the visit were their encounters with GIS students both in scheduled meetings and in classes. The visitors were impressed with our students' openness, confidence and eagerness to share their learning. A big thank you goes to the parent volunteers who attended a meeting on Monday and everyone that worked for GIS to become an IB school!

We will inform you of the final verdict when we receive.
