**As regards conferences for MYP students, MYP teachers are currently completing checklists for each student. Should areas of concern be identified for a student, a conference will be scheduled with relevant teachers. Once a timetable of conferences requested by teachers has been finalized for the students of concern, the parents of remaining students will have an opportunity to sign up for conferences. Registrations open on 22<sup>nd</sup> September.**

## School Photos

School photos were taken today, including class, individual and sibling photos. All students received information (hard copy) with a link and a username to an individual account where you can view, select, order and pay for the photos of your choice. Your password will be sent to you as a text message from Ariel.no.

We would like to thank Ms. Rachael McCallum for supervising children in SFO today so that we could have a staff photo taken.

## Communication

In order to ensure effective communication, please contact your child's class/homeroom teacher directly.

Please note that we are not allowed to share your contact details with other parents. However, class representatives can collect such information and distribute it within the class.

We are happy to distribute birthday invitations (hard copies only) at school on condition that all children in the class are invited. If only some students are invited, e.g. only boys or girls, please deliver your invitations outside of school.

Finally, it is our policy that teachers should not become friends with students or parents on social media, e.g. Facebook.

## Clubs next week

Please note that clubs are cancelled next week due to parent-teacher conferences. Please contact Ms. Shalaginova if you need SFO instead.
