MYP Eat 1230-1250

Grade 7	Grade 8	Grade 9	Grade 10
Plate of food	Dessert	Fruit	Drinks

Friday, 6th December 1200-1250

Dear Parents,

On Friday, 6th December GIS will be holding its annual Ugly Christmas Sweater Lunch. Students are welcome to come to school in a Christmas sweater. Students are equally welcome to be creative and make their own decorated shirt - perhaps candy canes stuck to a shirt, a green shirt with baubles stuck to the fabric? The options are limitless!

All students are asked to contribute one thing to the event. Please see the schedule to ascertain what your child will be required to produce for the day. Each child is asked to bring a plate of the item - thus 6 sandwiches or a package of cookies or a medium bowl of salad. We kindly remind the GIS parent community that we cannot allow nuts in our school. Please do not provide food items containing nuts.

Please mark all containers with your name so they can be returned to the correct home.

If you have any further questions, please see me or send me an email gwynne.rasen@gjovikis.no

Warmest regards,
Mrs Rasen

End of clubs run by GIS staff

Please note that the first round of clubs run by GIS staff is coming to an end this week. From next week on, students will need to be enrolled in SFO or go home after the last lesson. Please note that clubs offered by external providers may follow a different schedule. Please check with the provider if you are not certain. New club offerings will be advertised in January.

Giving Tree

It's that time of year again, the season for giving. At GIS, we would like to think about and help the people within our community who can't afford to buy their children gifts for Christmas.

We are going to set up a Giving Tree in the foyer. If you are able, please send in a gift for a child whose family is going through a tough time financially. All the gifts will be presented to the Salvation Army on the morning of the 13th December, for them to give to the families they support within our community. Non-perishable food items can also be donated. Please wrap the gift and indicate on a label whether it is for a boy or a girl and the age of the child it is aimed for.

We thank you for supporting us in this initiative to help those less fortunate in our community.

School support contact details
