Winter Activities Day

First of all, we would like to thank all parent volunteers for giving up their time to support us on Winter Activities Day (21 February 2020 at Øverby). In addition, we will be supported by several IB Diploma Programme students at Gjøvik High School as part of their service programme.

As the next step, we would like to get a better idea of your child's skiing level. Please note that the school does not provide skis. Can you please inform your child's homeroom teacher **by the end of this week**:

- 1) if your child has skis
- 2) cross country skiing level (beginner, intermediate or advanced).

More details will follow.

Applying to high schools

As promised earlier, Ms Tone Breivik, a careers advisor from Gjøvik High School, will be available to interested Grade 10 students at GIS on 17 and 19 February to review their applications and ensure they are ready to be submitted. Please follow the [link](#) to book a session with Ms Breivik. As you will see, there are fewer sessions than students but, following a quick survey, we found out not all students were interested in the opportunity. If you are unable to find a free session but would like to book an appointment, please contact Mr Armanski at adam.armanski@gjovikis.no

Winter break and PD Day

This is a reminder that our winter break starts on 22 February 2020. Please ensure your child's locker/cubby is empty by then so that it can be cleaned during the break. Please note that 2 March is a Professional Development Day for GIS staff. Therefore, there are no classes on 2 March. They resume on 3 March.

BIRTHDAY BOOK CLUB

Students are encouraged to donate a new or gently used book to the library to celebrate their birthday. This book can be in any language and at any reading level. Alternatively, students can donate **100kr** to the library and a book can be purchased in their name. Please see Mrs Rasen if you have any questions.

GIS wishes Amund from Grade 6 a very happy birthday and thanks him for his generous donation to the school library.

GIS wishes Marie from Grade 3 a very happy birthday and thanks her for her generous donation to the school library.

GIS wishes Lily from Grade 2 a very happy birthday and thanks her for her generous donation to the school library.

GIS wishes Ms Kari Anne very happy birthday and thanks her for her generous donation to the school library.
