Winter Activities Day

Please note that we have been monitoring weather forecasts for the past few days and hope to be able to have our Winter Activities Day as planned this Friday. However, we will make a final decision on Thursday and inform you of it by email. Should we have to cancel the event, we will have a regular day at school as per Friday timetable, including SFO before and after classes.

Winter Break

This is just a reminder that we have our winter break next week, which is followed by a professional development day for GIS staff. As a result, there are no classes on 2 March. Classes resume on 3 March. Please remember to empty your child's locker/cubby by the end of Friday so that it can be cleaned during the break. We are unable to collect and store any left clothes or shoes. Therefore, what has not been collected by the end of this week will be disposed of.

PYP Maths Open Morning

GIS Primary Department would like to invite interested parents to a Maths Open Morning on Friday 6 March from 8.35-9.45am. Classes will be showcasing how we use inquiry in Maths. Some classes will be doing Maths period 1 and others will be doing Maths in period 2. Parents can visit Maths classes and watch a lesson in progress.

Appropriate gear

Please ensure your child has appropriate gear to be able to enjoy breaks outside. The football pitch and the playground have been very wet recently, so waterproof gear and a spare set of clothes in the cubby will keep your child happy and healthy.

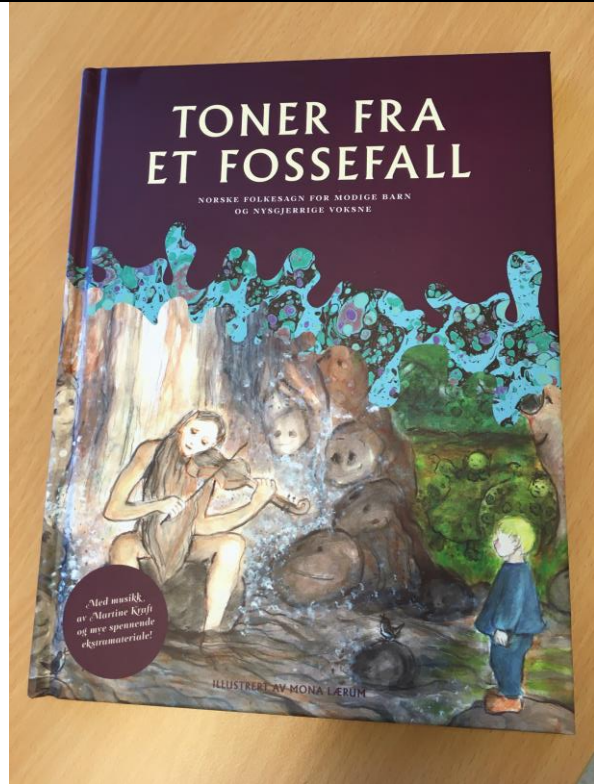

PYP Science Fair: new date

Please note that the PYP Science Fair has been rescheduled to give families more time to prepare and will now take place on 12 March 2020.

LIBRARY NEWS

GIS wishes William from Grade 2 a very happy birthday and thanks him for his generous donation to the school library.

GIS thanks Alver in Grade 4 for his generous donation of a class set of the book *Toner Fra et Fossefall*.

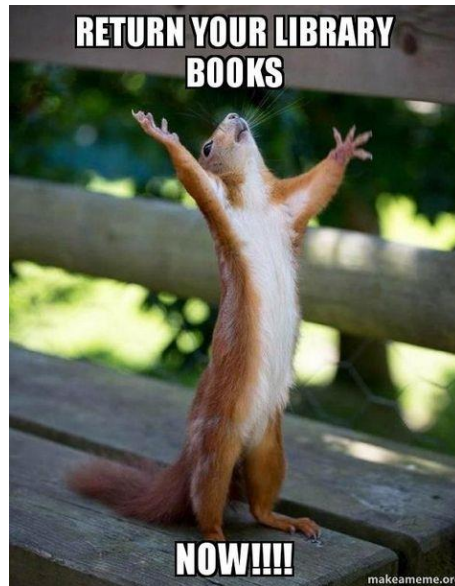

MYP STUDY TIME

Currently, MYP students have the opportunity to study in the library during break time 10.00-10.30 Monday thru Friday. In order to allow all students to access the library more fairly, grades will now be spread out over the week.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Grade 7 Grade 9	Grade 8 Grade 10	Grade 7 Grade 9	Grade 8 Grade 10	Open to all Grades

BOOK RETURN

All books are due back to the Library. Students have until Thursday, 20th February to return books. Please take a moment and have a look at home for any school library books that might have gotten stuck on your shelves.
