Fire drill

A fire drill will take place this week. The first fire drill in an academic year is always announced in advance so that staff and parents can prepare students, especially Grade 1, for the event. Please explain to your child that there is no reason to be scared but we all need to act responsibly and evacuate effectively.

The purpose of the first drill is to acquaint students and staff with evacuation procedures and routes. We will then have unannounced drills to practise effective evacuations throughout the school year.

World Food Day

Dear Parents,

The Student Council would like to inform you about World Food Day, which will take place on the 16th of October. The students are asked to bring a donation of unperishable, canned food to school.

The Student Council representatives will be collecting the tins from different entrances from 08.15-08.30. However, the tins that come after that time will be left in the school office.

If you have any questions or inquiries, please feel free to email alice.wanda@gjovikis.no (Student Council Supervisor Mrs. Wanda)

Thank you!

Kind regards,

Advaita Mishra
The president

BIRTHDAY BOOK CLUB at GIS

What is a Birthday Book Club??

The birthday book club is a way to celebrate reading and books at the same time. Students donate a book to the school library as part of their birthday celebration. Students may either make a 100 kr donation to the school library or donate a new or gently used book in any language.

For further information please emails Mrs Rasen in library. gwynne.rasen@gjovikis.no

Dog Man Crime and Punishment has been donated to the GIS library by Annabelle Rasen on the occasion of her 3rd birthday.

We here at GIS wish Annabelle a very happy birthday and thank her for her caring donation to the school library.

LIBRESOFT LIBRARY CATALOGUE

GIS has purchased a new library catalogue. Students are able to reserve and loan books during COVID using the system. PYP students already use the system in their Library and Research lessons and MYP will be introduced to the system shortly.

The student login is the barcode number they were given when they started school.

Non-marking shoes for PE

We are very lucky to have access to Campus Arena for PE classes. One of the rules at the hall is that students use non-marking shoes. Please ensure your child has non-marking shoes for their PE classes. They can be the same shoes students use at school.
