Construction work on NTNU campus starting soon

We have been informed that NTNU is having another building constructed on their campus. It will be located between the EAB building and the volleyball/table tennis area. Please find below some details:

- Construction work starts on 4 January 2021.
- A fence will be put up, starting at the barrier at Campus Arena and will go all the way to the construction site, separating the road from the pavement. The fence is marked red on the attached map.
- There will be two gates in the fence opposite the gates to the football pitch so that we can still access it.
- Another barrier will be put at the opposite end of the football pitch (green number 1 on the map) to slow down trucks on their way out.
- We may need to identify an alternative spot for taxi drop off and pick up.
- Tennis club may need to identify a new pick-up place.
- GIS staff will provide supervision outside between 8:00 and 8:30.

- Parents are asked to adjust children's arrival time as closely as possible to the designated times for each grade level to avoid students being unsupervised in the parking lot area.
- The construction is expected to end in December 2021.

Please let us know if you have any questions.

Vaccinations (Grade 2 and Grade 7)

Grade 2 and Grade 7 students will be vaccinated in accordance with the vaccination plan in Norway. Please find below the forms that you need to complete and return to the homeroom teacher on the day of the vaccination at the latest. The children whose parents do not return the forms will not be vaccinated.

Grade 2

2 December from 9:00pm on (NEW TIME!!!)
