## GIS ANNUAL GIVING TREE TRADITION

GIS Student Council would like to inform parents that the annual **Giving Tree** will take place **on Wednesday 16<sup>th</sup> December**. This is a wonderful opportunity for students to give back to their community by donating gently used or new toys/puzzles/books to children who would otherwise not receive a Christmas gift this season.

Please wrap your item and label it with a provided label from your student council representative (GR1, GR2 and GR3 may collect their labels from their class teachers). Two labels will be available: one for girls and one for boys. Please select the label that is most appropriate for the gift and indicate the age.

Please email Mrs. Wanda at [alice.wanda@gjovikis.no](mailto:alice.wanda@gjovikis.no) with any questions regarding the Giving Tree.

Thank you,

Student Council Team

## Vaccinations: Grade 2

Grade 2 students will be vaccinated in accordance with the vaccination plan in Norway. Please find below the forms that you need to complete and return to the homeroom teacher on the day of the vaccination at the latest. The children whose parents do not return the forms will not be vaccinated.
