

WEEK 5

FEBRUARY NEWS

A NOTE FROM MRS RASEN

February is upon us and we have the spring Scholastic book club at the end of the month to look forward to. Valentine's Day is around the corner and cards will be for sale via Student Council. Sami Day will be celebrated on Friday with crafting and food to be enjoyed by all. As always, if you have a question regarding the library, reserving or borrowing books or new book suggestions, please email me:
