Webinar for parents: 24 March, 9:00pm-10:00pm

Barnevakten.no is offering an English language version of one of their most popular webinars for parents about Roblox and Among Us. It will take place on Wednesday, 24 March from 9:00pm to 10:00pm

The webinar will be led by Kris Munthe and we hope to have enough parents joining that it will be worthwhile creating more content for our non-Norwegian speaking parents.

Absence/lateness

Please remember to inform your child's homeroom teacher if your child is going to be absent or late for school. Please send an email by 8:00am. To ensure that your message is received, copy your message to post@gjovikis.no

PYP parent-teacher conferences

PYP parent-teacher conferences will take place on 23, 24 and 25 March 2021 as per the timetable you have received.

All conferences will take place online. Please use the link you have received from your child's class teacher.

MYP parent-teacher conferences

MYP parent-teacher conferences will take place on 7 and 8 April 2021 after classes. MYP teachers are available by appointment. Like last semester, conferences will be pre-booked with relevant teachers if an area of concern has been identified for a student. The parents of remaining students are not required to attend conferences. However, they can sign up for selected conferences using our online booking system. Parents will receive a checklist for each child this week. Each teacher has assessed the student on a set of criteria, including overall achievement, participation in class activities, ability to follow instructions, etc. More information regarding available times will be provided with the checklists.

MYP parent-teacher conferences will take place via an online platform. More details will follow soon.

Next academic year: reminder

We would like to thank the parents who have returned the re-registration forms. The deadline to submit the document was yesterday. Please return the form immediately if you have not done so already either by email to post@gjovikis.no or as a hard copy.

We are obliged to inform educational authorities by early April how many students we expect as of August 2021. We also need to inform the parents of the students on the waiting list whether we have places for their children as of August 2021.

Wanted: supply staff

We are always keen to hear from people who can substitute for absent teachers and teaching assistants. This work can be day to day or for longer periods of time. If you know of a suitable person for this role, please encourage them to send their CV to employment@gjovikis.no
