School Photo Day

Please note that the School Photo Day has been rescheduled to 24 September 2021 by Norsk Skolefoto.

School nurse

This is to inform you that the school nurse will not be available at GIS on Mondays and Wednesdays this month due to her studies. However, parents can contact the nurse by email or phone. You can find the contact details at the end of the newsletter.

Ung I Gjøvik

MYP students met with a Gjøvik kommune's employee yesterday, who represents young people's interests in the kommune. The representative informed students about the various activities and professional support the kommune offers young people from the age of 13 to 25 in Gjøvik. Students were encouraged to visit Ung I Gjøvik and try the various activities arranged every week. It is also an opportunity to meet new people and make new friends.

For more details visit the website:

<https://www.gjovik.kommune.no/ungigjovik/>

Bicycles and scooters

Students who come to school on a bike or scooter must leave it at the green bike racks next to Campus Arena. Bikes and scooters must not be brought into the school building.

PYP and MYP information evening

We are pleased to invite parents new to PYP and/or MYP to an information evening on 28 September at 5:00pm. The event is particularly helpful if your child has just started Grade 1 (PYP) or Grade 7 (MYP), you are now to GIS or you are a returning parent who could benefit from a refresher. More details will follow closer to the date.
