Information evenings

As announced in earlier newsletters, we would like to invite PYP and MYP parents to information evenings. The events are a great opportunity for parents new to IB education to learn about the two programmes. The presentations are also an excellent refresher for returning families.

PYP Information Evening – 28 September 2021, 5:00pm-6:00pm

MYP Information Evening – 29 September 2021, 5:00pm-6:00pm

Both events will be held in the school library.

School photos

This is a reminder that this Friday (24 September) is Photo Day at GIS. As usual, photos will be taken of classes, individual students and siblings. A whole staff

photo will be taken at 3:15. We would appreciate a parent volunteer to supervise students in SFO for a few minutes so that all members of the school staff can be available at 3:15. If you are able to help out, please contact Mr Armanski at adam.armanski@gjovikis.no Thank you in advance!
