Information evenings

We would like to thank PYP parents for attending today's PYP Information Evening. Thank you for your positive feedback as well as sharing your suggestions as to what you would like to learn about in future events. This information will drive our planning.

We look forward to welcoming MYP parents to a similar event tomorrow. Your child's education is a responsibility that we share. The better we communicate about it as parents and teachers, the better we can support the young learners.

MYP Information Evening – 29 September 2021, 5:00pm-6:00pm

The event will be held in the school library.

School photos

Look out for a link to your child's photos from Norsk Skolefoto, which should arrive soon in your mailbox. You may want to check your spam box for the message.

A big thank you goes to Ms Linnerud for supervising students in SFO last Friday so that all staff could have a group photo taken!

PYP Parent-teacher conferences

Parent-teacher conferences for the parents of students in G1, 2, 4, 5 and 6 will take place on Tuesday, Wednesday and Thursday next week after classes. In previous years, parents were informed when their session was the week before the conferences were scheduled. However, this year we ask you to be a little more patient with us as we are changing our procedures. In order to allow parents to sign up at a convenient time rather than being given a slot, we are going to use a new online system, which parents will access via ManageBac. Unfortunately, the provider of the service was not able to schedule set up and training for us until this Thursday. Therefore, we will be able to make the new signup system available to you only at the end of this week. We hope that the convenience of choosing your preferred time compensates for the delay.
