## Upcoming break

This is to remind you that the last day of school this year is 10 December. Classes end at 12:00pm. If you require SFO after 12:00pm, please inform Mrs Senthilkumar at [sfo@gjovikis.no](mailto:sfo@gjovikis.no) by the end of Friday this week.

Please ensure you take all your belongings home so that cubbies and lockers can be cleaned during the break. We recommend that parents check the lost and found basket for any missing items. Please remember that what is left in lockers, cubbies and the basket will be disposed of.

**Please note that classes resume on 4th January.**

## GIS Giving Tree

GIS Student Council would like to inform parents that the annual **Giving Tree** will take place **on Wednesday 9<sup>th</sup> December**. This is a wonderful opportunity for students to give back to their community by donating gently used or new

toys/puzzles/books/clothes/shoes to children who would otherwise not receive a gift this season.

Please wrap your item and label it with a label provided by your student council representative (G1, G2 and G3 may collect their labels from their class teachers). Please indicate the gender, age and size (if appropriate) for each gift.

In addition, students will also receive “I’m Thankful” cards made by one of our students. Each student will write down the names of those they are thankful for in their life. Students will bring the cards home on the last day of school.

## Festive Sweater Day Lunch this Friday, 3rd December

Student Council would like to inform parents that the school will be holding annual **Festive Sweater Day Lunch** this Friday, 3<sup>rd</sup> December. Students are encouraged to bring proper lunch and dessert. All foods must be nut-free. Please note that students are not allowed to share food with others. They can eat only what they bring.

On this day, students are encouraged to wear festive sweaters or red and/or green clothes.

Here are some examples of the **Festive Sweaters**.

Thank you,  
GIS Student Council Team.

## Information evenings for Grade 10 students and parents: REMINDER

This is a reminder that the information evening with Ms Tone Breivik, a counsellor at Gjøvik High School, who will present all options available to students completing Grade 10 in Norway, takes place at GIS **today from 5:00pm to 6:30pm in our library.**

In addition, Ms Ada Øye, the IB Diploma Programme Coordinator at Gjøvik High School, will present the Diploma Programme at her school to Grade 10 students and their parents next week, Tuesday **7 December from 5:00pm to 6:00pm in our library.**

Finally, Grade 10 students and parents are invited to participate in a digital meeting organized by Karriere Oppland Gjøvikregionen with a focus on education at high school level. Attached to this newsletter is an invitation with more detailed information.
