2022

LIBRESOFT

Dear Parents,
We find ourselves once again in the yellow stage of the COVID pandemic. This means that the Library is sadly closed to students. But fear not, students may still borrow books. Grades 1 and 2 will have a cart of books brought to the classroom each week. Grades 3 and up are encouraged to use the Libresoft online reservation system. The link can be found on our school webpage, within the library section. You may also use the link below:

<https://apps.libresoft.co.uk/4724076141-0pqa38m1460bgvrhjw4j-gis/>

1. Enter your barcode number. This would be no more than 3 digits. If you do not have your barcode, your class teacher will have it, or you are welcome to email me.
2. Enter your password: 961ch.... then your first two letters of your first and last name. My name is Gwynne Rasen so my password would be 961chGwRa.

As always, if you have any questions please email me.

Happy reading,
Mrs Rasen

NEW BOOKS

We are thrilled to announce that the new books picked by the students using money raised through the Scholastic Book Club have arrived. We have some really lovely titles for students of all abilities and ages. Please check out Libresoft to reserve your copy today!
