## After-school program (SFO)

Dear parents,

SFO is an arena where children can make friends and experience community across grade levels. SFO facilitates play, cultural and leisure activities based on age, functional level and interests of the children, and provide care and supervision.

We have seen a decrease in the number of students who have used SFO during the corona pandemic, but we hope to see many students at SFO again in the coming school year.

### Reduced parental payment

New from the school year 2022-2023 is that we offer reduced SFO rates for families with lower incomes who signs up for one of our SFO schemes.

If you can document that the household's annual total personal and capital income is lower than NOK 550,000, you can apply for a reduced parental payment.

If you want to apply for reduced parental payment or have any questions regarding SFO, please contact the school's Business Manager Leif Olav W. Thoresen at [leif.olav.thoresen@gjovikis.no](mailto:leif.olav.thoresen@gjovikis.no)

We would be very grateful if you could complete the SFO application form on the next pages and return to [sfo@gjovikis.no](mailto:sfo@gjovikis.no) or as a hard copy by 1 April 2022.

We hope to see many children at SFO next school year.

Sincerely,

Gjøvikregionen International School
