## Next academic year: reminder

We would like to thank the parents who have already submitted the re-registration/withdrawal form for their child(ren). It helps us plan more accurately.

Please remember that the forms need to be returned to [post@gjovikis.no](mailto:post@gjovikis.no) or as hard copies to the class teacher by 25 March 2022.

Please do not hesitate to contact us if you have any questions.

## Meetings for G10 parents

We are pleased to add a little bonus to the meeting regarding the trip to Bergen for Grade 10 students, which will take place this Thursday at 6:00pm in GIS library. Following the meeting with Mr Bjørkvold and Mrs Rasen, a youth worker and a policeman will discuss some common myths as well as share some practical tips

regarding alcohol and substance abuse among teenagers. The workshop is designed specifically for the parents of students in Grade 10 as they approach a transition to high school.

## Let's grow together!

In this new section of the weekly newsletter, we would like to invite the GIS community to share interesting resources about education and parenting. Have you read an interesting book or article? Have you watched an inspiring video? Have you seen a thought-provoking image? Don't keep it to yourself! Let us now and we will share it in the newsletter. Please email the link and a brief description to Mr Armanski at [adam.armanski@gjovikis.no](mailto:adam.armanski@gjovikis.no). Let's help each other broaden our horizons and grow together!

This week, we would like to share with you a HEAD OF SCHOOL'S PICK. Mr Armanski recommends the TED talk [Grit: the power of passion and perseverance](#) By Angela Lee Duckworth, who argues that 'grit' is a far better predictor of success than IQ.
