Suicide prevention training for GIS staff

This is to remind you that GIS staff will attend a suicide prevention training next Tuesday. As all staff are required to attend, some changes to the day are necessary. Please find below a detailed plan for 31 May.

11:30 – all classes end; please pick your child up promptly

11:30 – SFO starts for regular users

Swimming for Grade 2 – CANCELLED, students leave at 11:30

12:00 – 4:00 training for staff

Upcoming holiday

Tomorrow (Wednesday) is the last day of school this week. We wish everyone a lovely long weekend. Classes resume on Monday 30 May. Parents may want to take home the clothes they might need for the weekend but it is NOT necessary to empty the cubbies/lockers.

Health considerations

A number of children have been sick recently. We would like to remind parents that children who have vomited or had diarrhea are allowed to return to school only 48 hours later. Similarly, children should be fever-free for 24 hours before they return to school.

SFO

This is to remind you that we still accept applications for children to use SFO next academic year. You can access the application form [here](#).
