## PYP Exhibition

The PYP Exhibition is well underway. All parents are invited to see the fruits of Grade 6 students' work at Gjøvik Cinema this Thursday between 5:00pm and 8:00pm. Come and celebrate the PYP exhibition with us!

## Rain gear

Please ensure that your child has appropriate gear for rainy weather so that they can enjoy break time outside.

## Another holiday

Please note that next Monday (6 June 2022) is another holiday. As a result, there is no school next Monday. Classes resume on Tuesday (7 June 2022).

## Grade 6 camp

We are pleased to inform you that Grade 6 students spend the entire next week at the United World College of the Red Cross. The students will engage in a variety of physical activities, including swimming, kayaking, canoeing, hiking, rappelling, etc. What a great way to celebrate the completion of the PYP!

## Health considerations

A number of children have been sick recently. We would like to remind parents that children who have vomited or had diarrhea are allowed to return to school only 48 hours later. Similarly, children should be fever-free for 24 hours before they return to school.

## SFO

This is to remind you that we still accept applications for children to use SFO next academic year. You can access the application form [here](#).

## School support contact details

If you have any questions about the matters below, please contact the relevant person:

Taxi (GIS)	Dennis Wanda	<a href="mailto:dennis.wanda@gjovikis.no">dennis.wanda@gjovikis.no</a>
