Next academic year

This is the last newsletter this academic year. However, next week, you will receive an email with more information regarding next year.

We would like to take this opportunity to thank everyone for their continued support and wish everyone a great summer!

Report cards

Report cards will be issued electronically on the last day of school, 16th June 2022, via ManageBac. A notification will be sent to you by email as soon as the report cards become available. Please contact us if you experience difficulties accessing your child's report card.

Last day of school

Please note that the last day of school this academic year falls on 16 June. Classes end at 12:00 and students need to be picked up at noon. SFO is available until 5:00pm as usual. Please note there is no SFO on Friday.

Children need to take their belongings home from their cubbies/lockers. We would be grateful if you could send plastic bags with your child in the morning on 16 June and assist them with their belongings at pickup in the afternoon.

Goodbye and good luck!

It is with regret that the Nykvist family says goodbye to the GIS community. Recently, our family dynamics have changed with our eldest daughter finishing school and heading to the Netherlands to continue her studies. We have also decided to move to the Netherlands to be together as a family. I have recently secured a teaching position there to make this possible. This move also allows us to be much closer to family and friends in Germany. It has been a very difficult decision for our family. We have many wonderful memories here and are extremely grateful for the many wonderful experiences we have had.

Christine Nykvist

We would like to take this opportunity to thank Ms Nykvist for her hard work at GIS and introducing two classes to formal schooling. We wish Ms Nykvist and her family good luck!

Vacancy

We are currently looking to appoint a PYP teacher to teach Grade 1 next academic year. Please feel free to share the information with suitable candidates.

Please note that Mrs Rasen has kindly offered to teach Grade 1 until a suitable candidate has been identified (and has been granted residence permit if we employ a teacher currently residing outside Norway). Please note that Mrs Rasen used to teach Grade 1 at GIS before she volunteered to set up and lead our library.

UDIR inspection

We are pleased to inform you that the UDIR inspection has been closed. Please find attached information from UDIR for students and parents.

MYP Art Exhibition

MYP Visual Art students and MsW would like to invite you to 2nd annual GIS MYP Art Show called, „ABSTRACTION” held at Kaffka Cafè in Gjøvik. The exhibition is there throughout the month of June and the cafè is open Monday - Sunday. Over 60 unique artworks by our students from grades 8-10 are on sale (all framed). The price range is 50-200NOK. You can also donate more than our asking price. Half of the money will go to a charity and half will help us buy a sewing machine to use in the art room. Use GIS vipps number displayed at Kaffka and add the number of the artwork bought in the vipps title. You can collect the purchased artworks from the walls of Kaffka at your convenience June 24-29.

Enjoy the show!

SFO

This is to remind you that we still accept applications for children to use SFO next academic year. You can access the application form [here](#).
